

Activities for Easter

<p>Shadow drawings</p>	<p>Take some teddies, plastic toys, cars etc outside and draw around the shadow onto paper. Could also use chalk straight onto the floor. Do this at various times of the day and see what happens to the length of the shadow.</p> 
<p>David Walliams Audio Books</p>	<p>https://www.worldofdavidwalliams.com/</p>
<p>Free online books to read</p> 	<p>The booktrust have free online books to read or read out loud to you. You can also watch Storytime videos from the likes of Ore Oduba, Adam Buxton, Fearn Cotton and many more. And that's not all: they also have free, fun kids' games to enjoy online. There are lots of interactive activities to try, such as number games, puzzle games, colouring or the Shape Game, and lots more.</p> <p>https://www.tumblebooklibrary.com/home.aspx</p> <p>https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/</p>
<p>Feet drawings</p>	<p>Paint your child's feet onto paper and then turn the feet into Princess drawings, soldiers, football players - anything you want.</p> 
<p>Information and videos about animals. Also, ideas for what to do with your pets during lockdown!</p>	<p>https://www.four-paws.org.uk/our-stories/clickandlearn/be-clever-be-kind</p>

Paper plate lion craft

Minecraft

Parents whose children play minecraft: Go to the Minecraft store. Microsoft have released 12 educational games for free.

Learn to draw for kids

<https://www.activityvillage.co.uk/learn-to-draw>

Keeping fit activities

Fit activity for kids
what's your name!

SPELL OUT YOUR FULL NAME AND COMPLETE THE ACTIVITY LISTED FOR EACH LETTER. FOR A GREATER CHALLENGE INCLUDE YOUR MIDDLE NAME & DO EACH ONE TWICE! FOR VARIETY YOU CAN USE A FAVORITE CHARACTER'S NAME OR A FAMILY MEMBER'S NAME.

A jump up & down 10 times	N pick up a ball without using your hands
B spin around in a circle 5 times	O walk backwards 50 steps and skip back
C hop on one foot 5 times	P walk sideways 20 steps and hop back
D run to the nearest door and run back	Q crawl like a crab for a count of 10
E walk like a bear for a count of 5	R walk like a bear for a count of 5
F do 3 cartwheels	S bend down and touch your toes 20 times
G do 10 jumping jacks	T pretend to pedal a bike with your hands for a count of 17
H hop like a frog 8 times	U roll a ball using only your head
I balance on your left foot for a count of 10	V flap your arms like a bird 25 times
J balance on your right foot for a count of 10	W pretend to ride a horse for a count of 15
K march like a toy soldier for a count of 12	X try and touch the clouds for a count of 15
L pretend to jump rope for a count of 20	Y walk on your knees for a count of 10
M do 3 somersaults	Z do 10 push-ups

Fork flowers painting activity

Some more ideas to do at home

- Make a time capsule
- Design an Easter egg on Purple Mash
- Make a fairy garden
- Build a city using cardboard boxes, toys, lego
- Do a treasure hunt
- Make a song
- Plant some seeds
- Hold an Olympics with lots of different events
- Make a movie
- Create a puppet show
- Create a diary and make memories
- Play indoor/outdoor bowling recycling plastic bottles
- Learn to sew
- Camp in the living room/garden
- Write a book
- Make a new dance

Hand prints

- Make some salt dough
- A cup of salt
- A cup of plain flour
- Half a cup of water
- Roll into a shape of your choice and make your prints.
- Bake in the oven at 180 degrees for 45 minutes.
- Decorate when cool

<p>Junk Modelling</p>	<p>Collect any empty boxes and do some junk modelling. What can you create?</p> 
<p>Even more ideas to try at home</p>	<ul style="list-style-type: none"> - Bake something you've never made before (You could take a picture, copy the recipe or bring in samples) - Design and create a sock puppet or sock puppet family (You could draw a comic strip of their adventures, take a family picture or include your designs) - Make a wordsearch about a topic that interests you! (If you're feeling adventurous – crossword) - Research a planet (You could make a poster, top trumps card or make a replica model) - Find a World Record of your choice and beat it (Eg. How many times would you need to jump to beat the World Record Long Jump? Can you improve your score?) - Make an instrument out of recycled materials (Using rubber bands, rice, cylinders, boxes etc) - Design an item of clothing (You could include the inspiration for your designs, reuse old clothing to make it and then wear it on the next non-uniform day) - Design a floor plan of your dream house and fill it with possessions (You could plan living spaces for family time, create a budget or copy ideas from home. But, you must be realistic about what you need and what you would like) - Create a new game (You could come up with a list of rules, make a prototype and then possibly bring it in to be tested)
<p>Dancing</p>	<p>https://facebook.com/events/s/mini-ravers-great-wonderfest-p/2643717155859516/?ti=icl</p> 
<p>Hand prints</p>	<p>Turn your handprints into dinosaur pictures.</p>

Cooking

Easy Tortilla Wrap Pizza

These pizzas are super easy and great fun for children to make. Perhaps get them to make faces with the toppings!

- Put tortilla wrap on a baking tray.
- Spread with tomato purée.
- Add the toppings of your choice.
- Sprinkle with a pinch of dried mixed herbs and grated cheese.
- Put under grill until cheese is bubbling.
- Serve and enjoy!

Maths challenges

		Daily Numeracy Challenge				Choose activity A, B or C		Keep it fun ! 😊	
Week	Task	Monday	Tuesday	Wednesday	Thursday	Friday	Weekend		
		Number Crunch	Shape Up	Pocket Money	Measure It	Build It	Family Fun		
1	A	Go on a number hunt around your house. Write down all the numbers you find.	Draw a picture using different shapes (circles, squares, triangles and rectangles).	Ask your mum or dad for some coins. Sort them into the different types and label them.	Choose 3 toys. Put them in order, starting with the smallest.	Use Lego, K'nex, blocks or something else to build the tallest tower you can.	Cook something together.		
	B	Look for numbers around your house. What is the biggest number you can find? What is the smallest?	Use different sized squares to make a pattern or design. If you have time, try with a different shape.	Ask your mum or dad for some coins. Count how much money you have altogether.	Choose 3 toys. Measure each one with a ruler. Draw each toy and label it with the size in cm.	Build two towers out of different materials. Which tower is the strongest? Why?	Find a recipe for something you like. Wash your hands carefully. Weigh and measure the ingredients carefully and use a timer to make sure it doesn't burn.		
	C	Look at different tins and packets of food. Where can you find numbers and what do they mean?	Make a repeating pattern using different shapes and colours. Ask an adult to continue the pattern.	Work out how many coins you could get for £1. How many 1p coins? 2p? 5p? 10p? 20p? 50p?	Choose 5 toys. Measure each one accurately with a ruler in cm and mm.	Build a high tower. Find different ways of making it stronger.	Eat and enjoy!		
2	A	Roll 2 dice and add the scores together. Play with somebody else. Who is the first to win 5 games?	Go on a shape hunt around your house. Draw the different shapes you can find.	How many different ways can you find to make 5p? Use 1p, 2p and 5p coins.	Choose 3 toys. Guess which one is heaviest and which is lightest. Check if you were right by holding them.	Make different 2D shapes (circle, square, triangle) out of Lego, K'nex, blocks or something else.	Imagine that, in the future, you could go on holiday wherever you wanted.		
	B	Take it in turns to roll a die. Add your numbers up as you go along. The first to 20 wins.	Count the number of squares, circles, triangles and rectangles you can find in your house.	How many different ways can you find to make 10p? Use 1p, 2p, 5p and 10p coins.	Choose 3 small toys. Weigh each one on kitchen scales. Put them in order from heaviest to lightest.	Make some tricky 2D shapes (circle, square, triangle, pentagon, hexagon) out of Lego, K'nex, blocks or something else.	Can you find the place on a map or a globe?		
	C	Put the numbers 1-10 in a bag. Take turns to pick a number. Add the numbers up. The first to 100 wins.	Count the different shapes in your house and draw a graph to show the results.	How many different ways can you find to make 50p? How about £1 or £2?	Choose 3 small toys. Weigh each one accurately in grams on kitchen scales. Order them from heaviest to lightest.	Make some 3D shapes (cube, cuboid, cylinder, triangular prism) out of Lego, K'nex, blocks or something else.	How long would it take to get there?		
							How much might it cost?

Play a game

Titles we have used :

Animals
 Sports
 Countries
 Cities
 Shops
 Male sports players
 Female sports players
 Football teams

Girls name	Boys name	Food	Place	Clothing

Can you complete the chart for every letter of the alphabet. You can change the titles at the top.
 In my house, we play against each other. We have a minute to complete a row and we score each row.
 If you are the only one who has thought of that name you score 3 points.
 If 2 people have the same answer you score 1 point.
 If more than 2 people have the same answer score 0 points.
 Good Luck - we love this!

Hand flowers

The new hospital that has been built in London needs art to make it a more colourful place to be for the patients. Can you do an A4 drawing? Make it colourful. Rainbows would be lovely but it could be anything bright and cheerful. 🌈
 When you do a picture, you need to post it to -

Rainbows for Nightingale
 59 Sutherland Grove
 London
 SW18 5QP
