

Headteacher Update

18th November 2021

Our Values Topic

This half term, our topic is Care and when we talk about this value, our guiding principle is:
We are helpful and considerate, showing kindness to others and looking after our surroundings.

Classes are enjoying their learning journeys, learning different aspects that I'm sure they would love to share with you at home.

Anti-Bullying Week

We have been thinking about banter and bullying – please talk your children at home about this.

Bullying – is repeated, negative behaviour that is intended to make someone feel upset, uncomfortable or unsafe.

Banter - is a playful and friendly exchange of teasing remarks. Importantly, the children on the receiving end should always be in on the joke. There is a fine line between banter and bullying.

Our Bullying Ambassadors are working hard to find ways to support children across the school if they feel they are being bullied.

We are looking for volunteers for Herbie's Hut – if you are interested, please see Mrs Hughes in the office.

Events Next Week:

Monday 22nd November - School Photos.
Closing date for Secondary Admissions.

Thursday 25th November - please remember to wear something **yellow** to support one of our wonderful families and brighten up the world to remember Leuan and to raise awareness of Meningococcal Septicaemia and Sepsis.

Thank you for taking the time to read this update - together we can ensure all children at Herbert Thompson reach their full potential.

Have a lovely weekend.

Kind regards,

Mrs Marsh
