Anti-Bullying Groups at School

Our Positive Relationship committee came up with this name for our peer mediation group.

Calm- we are calm in times of crisis

Ely- we are proud to be from Ely

Ons- we are 'on it'

Their job is to help children if they feel upset or have friendship issues at playtimes by asking important questions to make children think and help children to have discussions with each other

Our Anti-Bullying Ambassadors have been trained by The Diana Award Anti-Bullying Campaign. Their role is to help educate their other children on bullying, lead on anti-bullying campaigns, promote a culture which celebrates and tolerates difference and help keep their peers safe both online and offline.

Anti-Bullying at Herbert Thompson

Every child deserves to feel safe and happy in school. We take bullying very seriously and do all we can to educate our children on the impact bullying can have as well as letting them know how they can get support if they are being bullied. If you think your child is being bullied, **please contact Mrs Marsh or Mrs Jones.**

We really want to hear your views and ideas on anti-bullying, please complete the survey on our Facebook page/See Saw. Your opinion matters!

Next Monday, we will be joining the big anti-bullying assembly with schools across the UK to find out more about how we can show respect and keep others safe.

Bullying is the **repetitive**, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online.
