### Rights Respecting - Y Senedd

We are a rights respecting school which means that we believe that all our children have the right to be **happy, healthy and safe**. We want our children to have a voice in how we make Herbert Thompson even better so we are setting up a school Senedd - which will be a school government with Class Councillors from Y2-Y6, who will find out what their classmates think about school and feed back their ideas to the Senedd. We are also looking for two School Ambassadors from Y6 who will be in charge of promoting children's rights across the school and will lead the Senedd.

### Our Half Termly Value: **RESPECT**

We listen to each other and treat everyone the way we would like to be treated; keeping hands, feet and unkind words to ourselves.

Please talk to your child about what respect means. **With our younger children we talk about having kind hands, kind feet and kind words.**

If your child would like to be a Class Councillor or a Super Ambassador, can they please write a speech to share in front of their classmate by **Tuesday 4th October**. Our new Class Councillors will be announced on Friday next week and Super Ambassadors will be announced next week.
